I forgot about that. Lets go ahead and keep the meeting since they are going to be here that day anyway. Between the two of us, I think we can take complete notes.

Thanks...
Bo

Bo,

I accepted the meeting. I guess that you aware that neither Jennifer or Bill will be here because they will be attending the Vertebrate Pest Conference in CA. Of course we can take good notes.

John, Bo, and Dan –

Hal Ambuter just sent me an e-mail stating that he will be in DC next Thursday, February 25th, and would like to see if you are available for a meeting. Hal would like to discuss:

- * Tier 1 stations (we just submitted four Tier 1 applications)
- * new bait station concepts
- * Tier 3 advertising

Hal has to be done by noon so it would have to be in the morning. Would this work for any of your schedules?
